

Go Light Your World – by Chris Rice (*lyrics revised*)

Verse 1

There is a candle in every soul
Some brightly burning, some dark and cold
And there is a spirit that brings a fire
Ignites a candle and makes its home

Chorus 1

Carry your candle, and run to the darkness
Search for the helpless, confused and torn
And hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world

Verse 2

Frustrated neighbor, see how they've tried to
Light their own candle some other way
See now the loney, the hurt and weary
Still hold a candle without a flame

Chorus 2

Carry your candle, and run to the darkness
Search for the helpless, the tired and worn
And hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world
